

Hooray! You've having a Birthday Party at Collage Collage! Parties run as a private class where guests will all work on a mixed media project of their own based on a storybook in the store. *Custom Parties are available at an additional cost of \$75.*

Here are a couple of things to remember about birthday parties at the shop.

1. Birthday Parties are 1.5 hours long and take place right in the store. Kindly arrive no more than 5 minutes before your start time, and please tell your guests to arrive at the party start time. Please be sure to wrap up your party by end time, we often have other events planned in the store for the day.
2. Please stick to the 8 children maximum. This is the perfect size for our store. Additional children are \$15 each. If you have younger siblings coming, let us know and we can discuss whether or not we can include them in our activity!
3. Birthday Families are expected to bring whatever snacks or meal they'd like the guests to have. Bring your own plates, cutlery, and refreshments – and don't forget the Birthday Cake and candles!
4. If you'd like, for an additional \$95; professional photographer Lauren Teterault can document your entire party, and send you a CD of 50 images afterwards. This takes another task off your hands; just remember to ask if Lauren is available when you book your party!
5. There's parking out front, along 15th and Kingsway and all around Robson Park.
6. Guest's parents are welcome to stay for the party, this is really up to you! Just remember that the start of the party is a private art class, and we'll need everyone's attention during story time and the demonstration.
7. Collage Collage is thrilled to have you celebrate your birthday here in our store, just please keep in mind that we're a store, filled with treasures for sale. Food and drinks, like the art materials need to remain at the table for the duration of the party.

We're so looking forward to seeing you! Thanks so much for booking a party at Collage Collage. Call Erin at the shop if you have any questions at all! 604 569 1929 Tuesday – Saturday 11-6.
